All Through The Night
Jules Shear (sung by Cyndi Lauper)

G   D
All through the night

           G
I'll be awake and I'll be with you

       D
All through the night

           G
This precious time when time is new

Em
Oh

        Bm
All through the night today

          C   Am
Knowin' that we feel the same without sayin'

G   Em   C
We have no past, we won't reach back

      Am   D   G
Keep with me forward all through the night

        Em   C
And once we start, the meter clicks

      Am   D   G
And it goes running all through the night

      Em   Bm
Until it ends, there is no end

G   D
All through the night

            G
Stray cat is crying so stray cat sings back

       D
All through the night

            G
They have forgotten, what bindin' they lack

Em
Oh

        Bm
Under those white street lamps

        C   Am
There is a little chance they may see

G   Em   C
We have no past, we won't reach back

      Am   D   G
Keep with me forward all through the night

        Em   C
And once we start, the meter clicks

      Am   D   G
And it goes running all through the night

      Em   Bm
Until it ends, there is no end
