

Always Look On The Bright Side Of Life

Eric Idle

Some things in life are bad, they can really make
you mad

Other things just make you swear and curse

When you're chewing on life's gristle

Don't grumble, give a whistle

And this'll help things turn out for the best

And always look on the bright side of life

Always look on the light side of life

If life seems jolly rotten, there's something you've
forgotten

And that's to laugh and smile and dance and sing

When you're feeling in the dumps, don't be silly
chumps

Just purse your lips and whistle, that's the thing

And always look on the bright side of life

Always look on the bright side of life

For life is quite absurd and death's the final word

You must always face the curtain with a bow

Forget about your sin, give the audience a grin

Enjoy it, it's your last chance anyhow

So always look on the bright side of death

Just before you draw your terminal breath

Life's a piece of shit when you look at it

Life's a laugh and death's a joke, it's true

You'll see it's all a show

Keep 'em laughing as you go

Just remember that the last laugh is on you

And always look on the bright side of life

Always look on the right side of life

Always look on the bright side of life

Always look on the right side of life
