

# Bad Habits

## Billy Field

Can't help myself, bad habits  
 Well I'm running wild, lost control  
 And it's a shame to see  
 That a boy like me  
 Has got so many bad habits  
  
 Well I'm off the rails  
 My resistance fails, temptation's got  
 A hold on me  
 And I can't refuse  
 Because I al - ways lose  
 Can't help myself  
 Bad habits  
  
 Well it just ain't right  
 But it's something I can't fight  
 I can't stop going out and having fun  
 Well I tried to be good  
 But I knew i never could  
 Cause I've got more bad habits than anyone  
  
 When I get the urge  
 I just got to splurge  
 I'm a slave to all my desires  
 Well I'm in a mess  
 Because I can't repress  
 All of these  
 Bad habits

**Repeat song, optionally with instrumental solo for first verse.**
