## Black Fella White Fella Warumpi Band

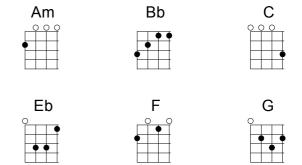

Am Black fella, white fella
G F It doesn't matter, what your colour
As long as you, a true fella
As long as you, a real fella
Am C All the people, of different races  With different lives, in different places
Am C It doesn't matter, what your name is
G F We got to have, lots of changes
We need more brothers, if we're to make it
We need more sisters, if we're to save it
Are you the one who's gonna stand up and be  Eb
Bb F Eb Are you the one who's gonna be there when we shout it?
Are you the one who's always ready with a helping
hand?  F Eb Are you the one who understand this family plan?
Am C Black fella, white fella
Yellow fella, any fella
It doesn't matter, what your colour
As long as you, a true fella
Am All the people, of different races
With different lives, in different places  Am  It doesn't matter, which religion
It doesn't matter, which religion
G It's all the same when the, ship is sinking
We need more brothers, if we're to make it
We need more sisters, if we're to save it
Are you the one who's gonna stand up and be  Eb  counted?
Bb F Eb Are you the one who's gonna be there when we shout
