 F

For simplicity I use C9 where the chord is actually Bb6-5 (ie. Bb6, with a flattened 5th). On the lyric "sometime", you can play the riff below.

	Bb6	C9
A	1-----	-----(1)
E	1-----	--1-(0)
C	2-----	-2--(2)
G	0-----	-----0-
	Sometime
