G
 History never repeats
 I tell myself before I go to sleep A
 G
 Don't say the words you might regret
 I've lost before you know I can't forget A

Am Em G
 There was a girl I used to know
 Dm Am Em G
 She dealt my love a savage blow
 Dm Am Em G
 I was so young, too blind to see
 Dm F G C
 But anyway that's history (I say)

G
 History never repeats
 I tell myself before I go to sleep A
 G
 Don't say the words you might regret
 I've lost before you know I can't forget A

Am Em G
 You say I always played the fool
 Dm Am Em G
 I can't go on, if that's the rule
 Dm Am Em G
 Better to jump than hesitate
 Dm F G C
 I need a change and I can't wait

G
 History never repeats
 I tell myself before I go to sleep A
 G
 And there's a light shining in the dark
 Leading me on towards a change of heart (a ha) A

G
 History never repeats, history never repeats

G Am Em G
 Deep in the night it's all so clear
 Dm Am Em G
 I lie awake with great ideas
 Dm Am Em G
 Lurking about in no-man's land
 Dm F G C
 I think at last I understand

G
 History never repeats
 I tell myself before I go to sleep A
 G
 And there's a light shining in the dark
 Leading me on towards a change of heart (a ha) A
