

If Not For You

Bob Dylan

If not for you ^C

C F C F

If not for you ^{C C G F}

Babe, I couldn't find the door ^{C C G F}

Couldn't even see the floor ^{C C G F}

I'd be sad and blue ^{Em Dm}

If not for you ^{C C G F C C G F}

If not for you ^{C C G F}

Babe, I'd lay awake all night ^{C C G F}

Wait for the mornin' light ^{C C G F}

To shine in through ^{Em Dm}

But it would not be new ^{Em Dm}

If not for you ^{C C G F C C G F}

If not for you my sky would fall ^{F C}

Rain would gather too ^{G C}

Without your love I'd be nowhere at all ^{F C}

I'd be lost if not for you ^{D G}

And you know it's true ^{F Em Dm}

^{G F Em Dm}

^{G F Em Dm C}

If not for you my sky would fall ^{F C}

Rain would gather too ^{G C}

Without your love I'd be nowhere at all ^{F C}

Oh! What would I do ^{D G}

If not for you ^{F Em Dm}

^{G F Em Dm}

^{G F Em Dm C}

If not for you ^{C C G F}

Winter would have no spring ^{C C G F}

Couldn't hear the robin sing ^{C C G F}

I just wouldn't have a clue ^{Em Dm}

Anyway it wouldn't ring true ^{Em Dm}

If not for you ^{C C G F}

If not for you ^{C C G F}

If not for you ^{C C G F}
