If you, if you could return

<sup>A</sup>  
Don't let it burn  
Don't let it fade

<sup>C</sup>  
I'm sure I might be rude  
But it's just your attitude

<sup>G</sup>  
It's tearing me apart  
It's ruining every day

<sup>D</sup>  
And I swore, I swore I would be true

<sup>A</sup>  
And honey, so did you

<sup>C</sup>  
So why were you holding her hand?  
Is that the way we stand?

<sup>G</sup>  
Were you lying all the time?  
Was it just a game to you?

<sup>D</sup>  
But I'm in so deep

<sup>A</sup>  
You know I'm such a fool for you

<sup>C</sup>  
You've got me wrapped around your finger

<sup>G</sup>  
Do you have to let it linger?

Do you have to, do you have to, do you have to let it  
<sup>D</sup>linger?

<sup>A</sup>  
Oh, I thought the world of you

<sup>C</sup>  
I thought nothing could go wrong

<sup>G</sup>  
But I was wrong, I was wrong

<sup>D</sup>  
If you, if you could get by

<sup>A</sup>  
Trying not to lie

<sup>C</sup>  
Things wouldn't be so confused  
And I wouldn't feel so used

<sup>G</sup>  
But you always really knew  
I just want to be with you

<sup>D</sup>  
But I'm in so deep

<sup>A</sup>  
You know I'm such a fool for you

<sup>C</sup>  
You've got me wrapped around your finger

<sup>G</sup>  
Do you have to let it linger?

Do you have to, do you have to, do you have to let it  
<sup>D</sup>linger?
