

# Love The One You're With

## Stephen Stills

**C5**                    **C6\*** **C5**                    **Csus4 C5**  
 If you're down                    and confused  
 And you don't remember                    **C6\*** **C5**  
 Who you're talking to                    **Csus4 C5**  
 Concentration                    **C6\*** **C5**  
 Slips away                    **Csus4 C5**  
 Because your baby                    **C6\*** **C5**  
 Is so far away                    **Csus4 C5**

**Am G**                    **F**  
 Well there's a rose in a fist'd glove  
**Am G**                    **F**  
 And the eagle flies with the dove  
**Am G**                    **F**  
 And if you can't be                    with the one you love, honey  
**C6\*** **C5**  
 Love the one you're with  
**Csus4 C5**  
 Love the one you're with  
**C6\*** **C5**  
 Love the one you're with  
**Csus4 C5**  
 Love the one you're with

**C5**                    **C6\*** **C5**                    **Csus4 C5**  
 Don't be angry,                    don't be sad  
**C6\*** **C5**  
 Don't sit crying                    **Csus4 C5**  
 Talking good times you've had  
**C6\*** **C5**  
 Well there's a girl                    **Csus4 C5**  
 Sitting right next to you  
**C6\*** **C5**  
 And she's just waiting                    **Csus4 C5**  
 For something to do
