

Mad World

Roland Orzabal (Tears For Fears)

Em All around me are familiar faces
D Worn out places, worn out faces
Em Bright and early for their daily races
D Going nowhere, going nowhere

Em And their tears are filling up their glasses
D No expression, no expression
Em Hide my head I want to drown my sorrow
D No tomorrow, no tomorrow

Em And I find it kind of funny
Em I find it kind of sad
The dreams in which I'm dying
Are the best I've ever had

I find it hard to tell you
Cause I find it hard to take

When people run in circles
It's a very, very
Em A Em A Mad World, Mad World
Em A Em A Mad world, Mad world

Em Children waiting for the day they feel good
D Happy Birthday, Happy Birthday
Em Made to feel the way that every child should
D Sit and listen, sit and listen

Em Went to school and I was very nervous
D No one knew me, no one knew me
Em Hello teacher tell me what's my lesson
D Look right through me, look right through me

Em And I find it kind of funny
Em I find it kind of sad
The dreams in which I'm dying
Are the best I've ever had
I find it hard to tell you
Cause I find it hard to take

When people run in circles
It's a very, very
Em A Em A Mad World, Mad World
Em A Em A Mad world, Mad world

Em And I find it kind of funny
I find it kind of sad
The dreams in which I'm dying
Are the best I've ever had
I find it hard to tell you
Cause I find it hard to take

When people run in circles
It's a very, very
Em A Em A Mad World, Mad World
Em A Em A Mad world, Mad world
