There are nine million bicycles in Beijing
 That's a fact,
 It's a thing we can't deny
 Like the fact that I will love you till I die.

We are twelve billion light years from the edge,
 That's a guess,
 No-one can ever say it's true
 But I know that I will always be with you.

I'm warmed by the fire of your love everyday
 So don't call me a liar,
 Just believe everything that I say

There are six BILLION people in the world
 More or less
 and it makes me feel quite small
 But you're the one I love the most of all

We're high on the wire
 With the world in our sight
 And I'll never tire,
 Of the love that you give me every night

There are nine million bicycles in Beijing
 That's a fact,
 It's a thing we can't deny
 Like the fact that I will love you till I die.

And there are nine million bicycles in Beijing
