

# Rain Dragon

**C Am F**  
 It's a happening thing  
**C Am Bb**  
 And it's happening to you  
**C Am F**  
 Full moon and thunder  
**C Am Bb**  
 ribbons of blue  
**C Am F**  
 Ice on the window  
**C Am Bb**  
 Ice in my heart  
**C Am F**  
 Fooling with thunder  
**C Am Bb**  
 every time we start

**Dm F**  
 It's been raining for so long  
**Dm F**  
 It's been raining for so long

**C Am F**  
 Oh is it any wonder  
**C Am Bb**  
 The streets are dark  
**C Am F**  
 Is it any wonder  
**C Am Bb**  
 We fall apart  
**C Am F**  
 Day after day  
**C Am Bb**  
 Straight rain falls down  
**C Am F**  
 All over town  
**C Am Bb**  
 rain coming

**Dm F**  
 It's been raining for so long  
**Dm F**  
 It's been raining for so long

**F C Dm F**  
 Don't you go out in the rain  
**Bb Gm C7**  
 Don't go out in the pouring rain  
**F C Dm F**  
 If you go out in the rain  
**Bb Gm C7**  
 We'll never have that time again

**C Am F**  
 Oh is it any wonder  
**C Am Bb**  
 The streets are dark  
**C Am F**  
 Is it any wonder  
**C Am Bb**  
 We fall apart

**Dm F**  
 All these feelings that seem so wrong  
**Dm F**  
 Remember when we were so strong  
**Dm F**  
 Well it's been raining for so long

**Dm F**  
 It's been raining I can't go on

**F C Dm F**  
 Don't you go out in the rain  
**Bb Gm C7**

**F C Dm F**  
 If you go out in the rain  
**Bb Gm C7**  
 We'll never have that time again

**F C Dm F**  
 Don't you go out in the rain  
**Bb Gm C7**  
 Don't go out in the pouring rain
