

The Very Thought Of You

Ray Noble

The very ^G thought of you and I ^{G6} forget to do
 The little ^G ordinary ^{Am7} things that everyone ^{Gdim} ought to do ^{A9}
 I'm living in a ^{Am9} kind of ^{D6} daydream ^{Em}
 I'm ^G happy as a ^{A9} king
 And ^{Bm7} foolish though it may ^{E7} seem
 To me that's ^{Am7} everything ^{D7}

The mere ^G idea of you, the ^{G6} longing here for you
 You'll never know how ^G slow the ^{Am7} moments ^{Gdim} go till I'm ^G
 near to you ^{A9}

I see ^{Am9} your face in every ^{D6} flower ^{Em}
 Your eyes in ^G stars ^{A9} above
 It's just the ^{Am7} thought of you ^{D7}
 The very ^{Am7} thought of you, my ^{D7} love ^G
