

Undecided

Sid Robin and Charlie Shavers

G
 First you say you do
 And then you don't
Gdim
 And then you say you will
 And then you won't
Am
 You're undecided now
Adim **G**
 So what are you gonna do?

G
 Now you want to play
 And then it's no
Gdim
 And when you say you'll stay
 That's when you go
Am
 You're undecided now
Adim **G**
 So what are you gonna do?

Dm7 **G7**
 I've been sitting on a fence
Dm7 **G7**
 And it doesn't make much sense
CM7 **Am7**
 'Cause you keep me in suspense
CM7 **Am7**
 And you know it
Em7 **A9**
 Then you promise to return
Em7
 When you don't
A9
 I really burn
D7
 Well, I guess I'll never learn
Daug
 And I show it

G
 If you've got a heart
 And if you're kind
Gdim
 Then don't keep us apart
 Make up your mind
Am
 You're undecided now
Adim **G**
 So what are you gonna do?
