We'll Meet Again
Ross Parker

C   E7
We'll meet again, A7

Am7   D7       G   Gaug
Don't know where, don't know when,

C
But I know we'll meet again, some sunny day

C   E7
Keep smiling through, A7

Am7   D7       C
Just like you always do,

C
Till the blue skies drive the dark clouds, far away.

E7
So will you please say hello, A7

A7   D7
To the folks that I know,

G   Gaug
Tell them I won't be long,

G   Gaug
They'll be happy to know that as you saw me go

C   E7
I was singing this song

C   E7
We'll meet again, A7

Am7   D7       G   C   F
Don't know where, don't know when,

C
But I know we'll meet again, some sunny day
