### C5

We were talking about the space between us all  
 And the people who hide themselves behind a wall of  
 illusion  
 Never glimpse the truth then it's far too late when  
 they pass away

We were talking about the love we all could share  
 when we find it  
 To try our best to hold it there with our love  
 With our love we could save the world if they only  
 knew

### Csus4

Try to realise it's all within yourself  
 No-one else can make you change  
 And to see you're really only very small  
 And life flows on within you and without you

### C5

We were talking about the love that's gone so cold  
 And the people who gain the world and lose their  
 soul

They don't know  
 They can't see  
 Are you one of them?

### Csus4

When you've seen beyond yourself  
 Then you may find peace of mind is waiting there  
 And the time will come when you see we're all one  
 And life flows on within you and without you
