

Xanadu

Jeff Lynne, ELO

G
 A place, where nobody dared to go
 The love that we came to know
 They call it Xanadu
 (It takes your breath, It'll leave you blind)
 And now, open your eyes and see
 What we have made is real
 We are in Xanadu
 (A dream of it, we offer you)

G **Bm**
 A million lights are dancing
 And there you are, a shooting star
 An everlasting world
 And you're here with me eternally

G **A**
 Xanadu, Xanadu
 (Now we are here) in Xanadu

 Xanadu, your neon lights will shine
 For you, Xanadu

G **C** **Cm** **G**
 The love, the echoes of long ago
 You needed the world to know
 They are in Xanadu
 (With every breath you drift away)
 The dream, that came through a million years
 That lived on through all the tears
 It came to Xanadu
 (The dream of you, well it will happen for you)

G **Bm**
 A million lights are dancing
 And there you are, a shooting star
 An everlasting world
 And you're here with me eternally

 Xanadu, Xanadu
 (Now we are here) in Xanadu
