G C D G But you can't take it with you

Em You can't take it with you

Em It's so much easier
G Bm C Am D For a camel to pass through a needle's eye

G You might have a great reputation

C So carefully made
G Em C And a set of high ideals
Am D Polished up and so well displayed
C You might have a burning love inside
Am C D So refined, such a special grade
G C D G But you can't take it with you

G C D G No you can't take it with you
G C D C G No you can't take it with you
