

You Weren't In Love With Me

Billy Field

Standing on the outside
 I don't know where I'm going to
 But I do know just one thing
 And that is it's over with you

I've been very lonely
 I did not think I could go on
 I was caught in mem'ries
 And dreams I should have won

Blind Freddy knew that
 Blind man could see
 I was in love with you
 But you weren't in love with me

Suppose I'll have to keep it
 Keep it inside, I don't know why
 Well I know, that won't change it
 But baby, it helps if I cry

Blind Freddy knew that
 Blind man could see
 I was in love with you
 But you weren't in love with me

It used to be so perfect (so perfect)
 It used to be so perfect (so perfect)
 Lovin' you (used to be so perfect lovin' you)
 It used to be so perfect, it used to be so perfect
 Lovin' you (used to be so perfect)

Standing on the outside
 I don't know where I'm going to
 But I do know just one thing
 And that is it's over with you

Blind Freddy knew that
 Blind man could see
 I was in love with you

But you weren't in love with me
 Blind Freddy knew that
 Blind man could see
 I was in love with you
 But you weren't in love with me
