

Act Yr Age Bluejuice

Intro x2

D G G D G D A

When I wake up
in the af - ternoon

I get so worried
I keep thinking of you

When I wake up
I'm in the same old mood

I get so worried
I don't know what to do

Bm
But why'd you wanna do it?

Bm6
Why'd you wanna waste your time?
Yours and mine, mine, mine

Bm
Why would you commit if you can't change your

Well I guess that's fine
But this is goodbye

They're always saying to me
Why don't you act
Why don't you just act your age?
Why don't you act
Why don't you just act your age?

I've been down for so long
I got comfortable on my knees
And though I don't need you
I'm still eager to please

Bm
Nothing gives me pleasure, There's no release
Bm6
can't find an angle, no one believes you
I'm the guilty party, there's nobody left here but me

They're always saying to me
Why don't you act
Why don't you just act your age?
Why don't you act
Why don't you just act your age?

G

Why don't you just act your age?
