All These Things
Darren Hanlon

C G Dm F C G Dm F
C G Dm F
From every shadow there are things that follow you
C G Dm F
From your late night dead end job, from the old
Dm F
neighborhoods where you grew
C G Dm F
There's a fallen satellite (The thought keeps me
F
awake at night)
C G Dm F
There's a chocolate fondue (With no nutritional
value)
C G Dm
There's a ground invasion (With complete color
F
coordination)
C G Dm
There's a sleep over screen (The bed is not a
F
trampoline)

C G Dm F
There's a hymn with a hand on the heart
C G Dm F

C G Dm F
And all these things will follow you
C G Dm F
And all these things will follow you

C G Dm F C G Dm F
C G Dm F
Staying locked inside all day is no big deal
C G Dm F
C G
But I've yet to read a travel brochure that could
Dm F
change the way that I feel
C G Dm F
C G Dm
It's suffocating in the car (That's just the way some
F
families are)
C G Dm
It's a book you'll get around to read (It's a pet that
F
you forgot to feed)
C G Dm
It's an ex–boyfriend you can't forget (A godparent
F
you've never met)
C G F G
It's a fear that began if one single Elvis fan
C G F
Could be wrong the other forty nine odd million
G F
screaming others also can
G F G
Ah...

Chorus
C G Dm F
And those things will follow you
C G Dm F
And those things will follow you
C G Dm F
And their lights will shine right through

C G Dm
So when you open up your eyes they will know you
F
when they do

C G Dm
Did you steal my pen? I left it here (You mean the
F
one behind your ear?)
C G Dm
You're just a piece of work, that's all (Take me and
F
hang me on the wall)
C G Dm
Away from where the guards linger (You touched
F
the painting with your finger)
C G Dm
And I was placed under gallery arrest (It's a chance
F
to wear your Sunday best)

C G F
And look sharp on the stand and raise my right
G
shaking hand
C G F
And swear everything I say is true on a first edition
G F
copy of Peter Pan
G F G
Ah...

Chorus
C G Dm F
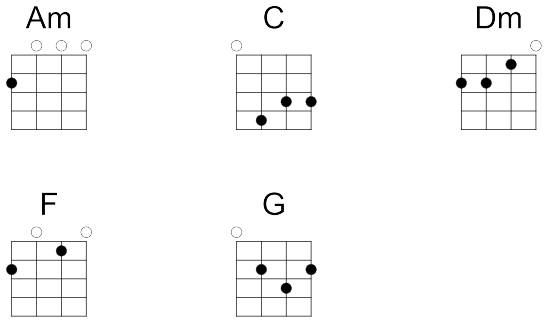
C G Dm
Yeah, when you open up your eyes they will know
F
you when they do
C G Dm F


C G Dm
When you open up your eyes everyone will know its

you
