

Blues My Naughty Sweetie Gives To Me

Carey Morgan, Arthur Swanstone, Charles McCarron

There are ^{Am} blues that you get from worry
 There are ^{Dm} blues that you get from ^{E7} pain
 There are blues when you're lonely for your one and ^{Am} only
 Those blues you can never explain ^{B7} ^{E7}
 There are blues that you get from longing ^{Am}
 But the ^{Dm} bluest blues that be ^{E7}
 Are the ^{A7} only blues that's on my mind, they're the ^{D7}
 very meanest kind ^C ^G ^C ^{E7}
 The blues my naughty sweetie gives to me

There are ^{Am} blues you get from wimmin when you see
 And you haven't got a bathing suit yourself 'em goin' swimmin'
 There are blues you get much quicker when you ^{Dm}
 hide a lot of liquor
 And somebody goes and swipes it off the shelf ^{E7}
 There are blues that come from waitin' on the dock
 Wondering if the boat is gonna rock ^{Am}
 And there's blues that come from gettin' in a taxicab ^{B7}
 and frettin' ^{E7}
 Everytime you hit a bump and jump the clock
 There are blues you get from tryin' when you save a ^{Am}
 guy from dyin' ^{Dm}
 And he afterwards forgets you in his will
 But the blues much worse than this is when you're ^{Dm}
 walkin' with the missus
 And some chorus lady shouts, "Hello there Bill!" ^{E7}
 But the blues that make me crazy mad and sorer
 than a bunion ^D
 'Till I feel like goin' out and stabbin' someone with
 an onion ^C ^G ^C ^{E7}
 Are the blues my naughty sweetie gives to me

There are ^{Am} blues that you get from worry
 There are blues that you get from pain ^{Dm} ^{E7}
 There are blues when you're single and just want to ^{E7}
 mingle ^{Am}
 And blues when you have to abstain ^{B7} ^{E7}
 There are blues that you get from sleepless nights ^{Am}

But the ^{Dm} bluest blues to me ^{E7}
 Are the blues that make me hot and cold and make ^{A7}
 me want to shiver ^{D7}
 And make me want to end it all by jumping in the ^C ^G ^C
 river ^{D7}
 Are the blues my naughty sweetie gives to me, gives ^{D7}
 to me ^C ^G ^C
 The blues my naughty sweetie gives to me
