

Christmas All Over Again

Tom Petty

G Gdim Am D G Gdim Am D

Well it's Christmas time again
 Decorations are all hung by the fire
 Everybody's singin'
 All the bells are ringing out

And it's Christmas all o - ver again, yeah again

Long distance rela - tives
 Haven't seen 'em in a long long time
 Yeah I kind of missed 'em
 I just don't wanna kiss 'em, no

And it's Christmas all o - ver again, yeah again

And all over town little kids gonna get down
 Christmas is a rockin' time, put your body next to mine

Underneath the mistletoe we go, we go

Everybody's singin'
 all the bells are ringing out

And it's Christmas all o - ver again, yeah again

And right down our block little kids start to rock
 And Christmas is a rockin' time, put your body next to mine

Underneath the mistletoe we go, we go

Merry Christmas time come and find you
 Happy and there by your fire
 I hope you have a good one
 I hope momma gets her shoppin' done

And it's Christmas all o - ver again

Oh baby it's Christmas all o - ver again, yeah

And it's Christmas all o - ver again
