

# Closer To Fine

## The Indigo Girls

I'm trying to tell you something 'bout my life  
 Maybe give me insight between black and white  
 And the best thing you ever done for me  
 Is to help me take my life less seriously  
 It's only life after all

Well, darkness has a hunger that's insatiable  
 And lightness has a call that's hard to hear  
 And I wrap my fear around me like a blanket  
 I sailed my ship of safety till I sank it  
 I'm crawling on your shores

And I went to the doctor, I went to the mountains  
 I looked to the children, I drank from the fountains  
 There's more than one answer to these questions  
 Pointing me in a crooked line  
 And the less I seek my source for some definitive  
 Closer I am to fine  
 Closer I am to fine

And I went to see the doctor of philosophy  
 With a poster of Rasputin and a beard down to his  
 knee

He never did marry or see a B-grade movie  
 He graded my performance, he said he could see  
 through me  
 I spent four years prostrate to the higher mind  
 Got my paper and I was free

And I went to the doctor, I went to the mountains  
 I looked to the children, I drank from the fountains  
 There's more than one answer to these questions  
 Pointing me in a crooked line  
 And the less I seek my source for some definitive  
 Closer I am to fine  
 Closer I am to fine

I stopped by the bar at 3 A.M.

To seek solace in a bottle or possibly a friend  
 And I woke up with a headache like my head against  
 a board  
 Twice as cloudy as I'd been the night before  
 And I went in seeking clarity

And I went to the doctor, I went to the mountains  
 I looked to the children, I drank from the fountains  
 We go to the doctor, we go to the mountains  
 We look to the children, we drink from the fountain  
 Yeah, we go to the Bible, we go through the  
 workout  
 We read up on revival, we stand up for the lookout  
 There's more than one answer to these questions  
 Pointing me in a crooked line  
 And the less I seek my source for some definitive  
 Closer I am to fine  
 Closer I am to fine
