

Don't Dream Its Over

Neil Finn (Crowded House)

There is freedom within, there is freedom without
 Try to catch the deluge in a paper cup
 There's a battle ahead, many battles are lost
 But you'll never see the end of the road while you're
 travelling with me

Hey now, hey now, don't dream it's over
 Hey now, hey now, when the world comes in
 They come, they come to build a wall between us
 We know, they won't win

Now I'm towing my car, there's a hole in the roof
 My possessions are causing me suspicion, but
 there's no proof

In the paper today, tales of war and of waste
 But you turn right over to the TV page

Hey now, hey now, don't dream it's over
 Hey now, hey now, when the world comes in
 They come, they come to build a wall between us
 We know, they won't win

Now I'm walking again to the beat of a drum
 And I'm counting the steps to the door of your heart
 Only shadows ahead, barely clearing the roof
 Get to know the feeling of liberation and release

Hey now, hey now, don't dream it's over
 Hey now, hey now, when the world comes in
 They come, they come to build a wall between us
 We know, they won't win

Don't let them win (hey now hey now)

(hey now hey now)
 (hey now hey now)
 Don't let them win (they come they come)
 Don't let them win (hey now hey now)
 (hey now hey now)
