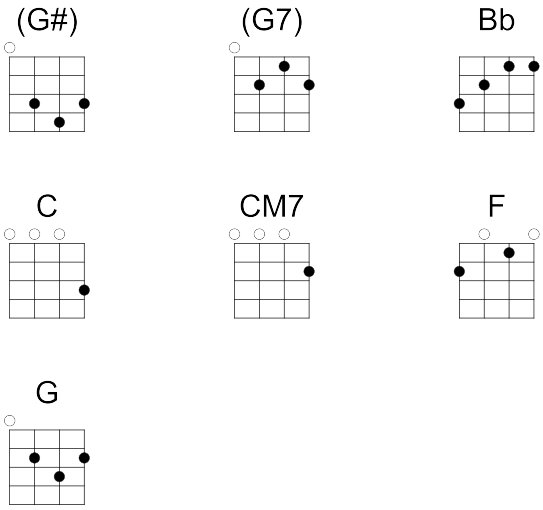
Girls In Our Town
Bob Hudson



C CM7 F C
Girls in our town, they just haven't a care
CM7 F G
You see them on Saturday floating on air
C F C
Painting their toenails and washing their hair
Bb (G#) (G7)
Maybe tonight it'll happen

C CM7 F C
Girls in our town they leave school at fifteen
CM7 F G
Work at the counter or behind the machine
C F C
And spend all their money on making the scene
Bb (G#) (G7)
They plan on going to England

C CM7 F C
Girls in our town go to parties in pairs
CM7 F G
Sit 'round the barbecue, give themselves aires
C F
Then they go to the bathroom with their girlfriend
C
who cares
Bb (G#) (G7)
Girls in our town are so lonely

C CM7 F C
Girls in our town are too good for the pill
CM7 F G
But if you keep asking they probably will
C F C
Sometimes they like you or else for the thrill
Bb (G#) (G7)
And explain it away in the morning

C CM7 F C
Girls in our town get no help from their men
CM7 F G
No one can let them be sixteen again
C F C
Things might get better but it's hard to say when
Bb (G#) (G7)
If they only had someone to talk to

C CM7 F C
Girls in our town can be saucy and bold
CM7 F G
At seventeen, no one is better to hold
C F C
Then they start havin' kids, start gettin' old
Bb (G#) (G7)
Girls in our town...
