Good Luck Babe
Chappell Roan

GM7 A D Bm7

GM7 A
It's fine, it's cool
D Bm7
You can say that we are nothing, but you know the truth
GM7 A
And guess I'm the fool
D Bm7
With her arms out like an angel through the car sunroof

Em9
I don't wanna call it off
Em
But you don't wanna call it love
Em9 Em
You only wanna be the one that I call baby

G A
You can kiss a hundred boys in bars
D Bm
Shoot another shot, try to stop the feeling
G A
You can say it's just the way you are
D Bm
Make a new excuse, another stupid reason

G A
Good luck, babe! Well, good luck, babe!
D Bm
You'd have to stop the world just to stop the feeling
G A
Good luck, babe! Well, good luck, babe!
D Bm
You'd have to stop the world just to stop the feeling

GM7 A
I'm cliché, who cares?
D Bm7
It's a sexually explicit kind of love affair
GM7 A
And I cry, it's not fair
D Bm7
I just need a little lovin', I just need a little air

Em9
Think I'm gonna call it off
Em
Even if you call it love
Em9 Em
I just wanna love someone who calls me baby

G A
You can kiss a hundred boys in bars
D Bm
Shoot another shot, try to stop the feeling
G A
You can say it's just the way you are
D Bm
Make a new excuse, another stupid reason

G A
Good luck, babe! Well, good luck, babe!
D Bm
You'd have to stop the world just to stop the feeling
G A
Good luck, babe! Well, good luck, babe!

D Bm
You'd have to stop the world just to stop the feeling

Em9 Em Em9 Em

Em9 Em
When you wake up next to him in the middle of the night
Em9 Em
With your head in your hands, you're nothing more than his wife
Em9 Em
And when you think about me all of those years ago
Em9 Em
You're standing face to face with "I told you so"
Em9 Em
You know I hate to say "I told you so"
Em9 Em
You know I hate to say, but "I told you so"

G A
You can kiss a hundred boys in bars
D Bm
Shoot another shot, try to stop the feeling
G A
You can say it's just the way you are
D Bm
Make a new excuse, another stupid reason

G A
Good luck, babe! Well, good luck, babe!
