When you find that your mind makes you worried and blue

You can always let your feet keep your disposition sweet

Want to see what makes me feel the way I do

Will you kindly cast an eye on two good reasons why

Happy feet! I've got those happy feet

Give them a low down beat and they begin danc—ing

I've got those ten little tapping toes and when they hear a tune

I can't control those dancing shoes to save my soul

Wear—y blues can't get into my shoes

Because my shoes refuse to ever grow wear—y

I keep cheerful on an earful of music sweet

'cause I've got hap-hap-happy feet
