

Heavy Heart You Am I

C
Been watching so much TV
E7
I'm thinner than I should be
F
I'm like a waterlogged ball
G#
That no-one wants to kick around anymore

C
An all day morning hair-do
E7
That no comb can get through
F
It's all granola and beer
G#
calling card and a silk cut souvenir

C **E7** **F**
I miss you like sleep
C **E7** **D7**
And there's nothing romantic about the hours I keep
C **E7** **F**
The morning's when it starts
Fm
I don't look so sharp
C
Now I got a heavy heart

C
I talk a lot about football
E7
And girls I kissed in grade four
F
I piss off my friends
G#
I'm digging a hole just staring at the floor

C
Now every t-shirt's got a wine stain
E7
I'm loving cigarettes again
F **G#**
I know every tune about guys and girls
And hurts and hearts and moons

C **E7** **F**
I miss you like sleep
C **E7** **D7**
And there's nothing romantic about the hours I keep
C **E7** **F**
The morning's when it starts
Fm
I don't look so good
C
Now I got a heavy heart

D7
It's just a low rent paying,
Fm **Bb** **C**
palpitating pulp inside my shirt
D7
But there's a weight that's sitting
Fm **C**
So hard god it hurts
E7 **F**
Oh it hurts
C **E7** **F** **G**
