

# I Remember When I Was Young

## Matt Taylor/Chain

Well I remember when I was young the world had  
 just begun and I was happy  
 I used to wonder about the Earth and how it moved  
 around the sun so snappy  
 Imagination going wild makes a very backward  
 child they told me  
 So back at school I'd sit around just waiting for the  
 sound so I could go on home

**C7**  
 Sometimes I think about it  
 It happens every day  
**D7**  
 I should think of the present  
 Cause the present's now

Well I remember when I was young how one and  
 thrippence got you to the movies  
 To look tough we'd light a smoke and very nearly  
 choke but we had a real good time  
 Growing older meant you'd get to fly a saber jet and  
 fight a few wars  
 So I'd just sit there all day and let my mind decay  
 something awful

**C7**  
 Sometimes I think about it  
 It happens every day  
**D7**  
 I should think of the present  
 Cause the present's now

Well I remember when I was young I had a secret  
 love who never knew it  
 I'd do tricks upon my bike they'd never turn out  
 right, I always blew it  
 And the day we had to part, I had a broken heart but  
 couldn't let on  
 So I spent my holidays just thinking of the ways I  
 must have gone wrong

**C7**  
 Sometimes I think about it  
 It happens every day  
**D7**  
 I should think of the present

Well I remember when I was young the Beatles  
 turned me on they really blew my mind  
 And with Kerry, Jack and Pam we'd go and watch a  
 band and have a real good time  
 Then I heard the black man's blues they really blew  
 a fuse inside my head  
 So with some friends we made a stand and formed  
 our first blues band, it was a real good thing.

 I should think of the present  
 Cause the present's now

Well I remember when I was young, I remember  
 when I was young, I surely do  
 Well I remember when I was young, I remember  
 when I was young, I surely do
