

Keep Hauling

Andrew Cadie, Mark Bloomer, Steve Knightley

When love just seems so far away
Keep haulin', keep haulin'
The tide will flood your heart some day
Keep haulin', boys

When your guiding star's in cloudy skies
Keep haulin', keep haulin'
You'll find your way to the bright sunrise
Keep haulin', boys

Keep haulin', ho!
Rouse and raise your voice
Hold your course and don't let go
Keep haulin', boys

If you gave your best and your heart stayed true
Keep haulin', keep haulin'
There's only one thing left to do
Keep haulin', boys

If you fought so hard and you lost your hold
Keep haulin', keep haulin'
Remember fate rewards the bold
Keep haulin', boys

Keep haulin', ho!
Rouse and raise your voice
Hold your course and don't let go
Keep haulin', boys

Whatever your ship and wherever your sea
Keep haulin', keep haulin'
Whatever your storm or your rocks may be
Keep haulin', boys

Keep haulin', ho!
Rouse and raise your voice
Hold your course and don't let go

Keep haulin', boys

Keep haulin', ho!
Rouse and raise your voice
Hold your course and don't let go
Keep haulin', boys

Hold your course and don't let go
Keep haulin', boys
