

# O Holy Night

Placide Cappeau, Adolphe Adam, John Sutherland Dwight

**G** O holy night, the stars are brightly shining  
**C** It is the night of the dear Saviour's birth  
**G** Long lay the world in sin and error pining  
**Em** Till he appeared and the soul felt its worth  
**D** A thrill of hope, the weary world rejoices  
**G** For yonder breaks a new and glorious morn  
**Em** Fall on your knees! O hear the angel voices  
**Bm** O ni-ight divine, O night when Christ was born  
**C** O night divine! O night, O night divine

**G** Truly he taught us to love one another  
**C** His law is love and his gospel is peace  
**G** Chains shall he break, for the slave is our brother  
**Bm** And in his name all oppression shall cease  
**F#** Sweet hymns of joy in grateful chorus raise we  
**D** Let all within us praise His holy name  
**G** Christ is the Lord! Then ever, ever praise we  
**Em** Noel - , Noel! O night, O night divine  
**D** Noel, Noel! O night, O night divine
