

Once In A While

Edwards/Green (version by Eddie Vedder)

F D
Once in a while will you try to give
One little **Gm7** thought to me
Though **C7** someone else may be
Nearer **F** your heart?

F D
... will you dream
Of the moments **Gm7** I shared with you
before we **C7** drifted apart?
Once in a while **F Gm7 F E7**

A D E7
In love's smoldering embers
One spark may remain **D E7**
If love still can remember **D E7**
The spark may burn again **A Adim Gm7 C7**

F D
I know that I'll be contented
With yesterday's **Gm7** memory
Knowing you think of me **C7**
Once in a while **F Gm7 F E7**

A D E7
In love's smoldering embers
One spark may remain **D E7**
If love still can remember **D E7**
The spark may burn again **A Adim Gm7 C7**

F D
I know that I'll be contented
With yesterday's **Gm7** memory
Knowing you think of me **C7**
Once in a while **F Gm7 F**
