Little River Band (Graeham Goble)

Eb6 Fm9 Bb9
Eb6 G#m9 C#9
F#m9 B9 GM7 Em7
D G D D G D

GM7
Friday night it was late I was walking you home
C9
We got down to the gate and I was dreaming of the night
B7
Would it turn out right
GM7
How to tell you girl
C9
I wanna build my world around you
B7
Tell you that it's true
GM7
I wanna make you understand
Bb9 D Em7 D
I'm talking about a lifetime plan

GM7
That's the way it began we were hand in hand
C9
Glenn Miller's band was better than before
B7
We yelled and screamed for more
GM7
And the Porter tune (Night and Day)
C9
Made us dance across the room
B7
It ended all too soon
GM7
And on the way back home
Bb9 D Em7 D
I promised you'd never be alone

GM7
Hurry don't be late
C9
I can hardly wait
B7
I said to myself when we're old
GM7
We'll go dancing in the dark
Bb9
Walking through the park
D Em7 D
And reminiscing

Now as the years roll on

Each time we hear our favorite song
B7
The memories come along
GM7
Oh the times we're missing

Spending the hours reminiscing
