

# Sing For No-one

## Kavisha Mazzella

Gm Cm  
 Before we were born, song was there  
 D7 Gm D7  
 She pulled us from the womb for us she cared  
 Gm Cm  
 And whispered in our ears life's mystery  
 D7 Gm Cm D7  
 And when we die she surely will be there

Gm Cm  
 Song says "Oh please use me, you're my voice,  
 you're my hands  
 D7 Gm D7  
 Fashion me into a melody  
 Gm Cm  
 That tells the human story, It's misery and glory  
 D7 Gm D7  
 Don't be silent that would be a tragedy!"

Gm Cm  
 Sing for no one sing for everyone  
 D7 Gm D7  
 Sing for we are servants of the song  
 Gm Cm  
 Sing for being together, never mind the weather  
 D7 Gm D7  
 Sing for no one sing for everyone!

Gm Cm  
 Our instruments the weapons of our choice  
 D7 Gm D7  
 To disarm oppression with our voice  
 Gm Cm  
 Though we make an orphans choir we set all hearts  
 on fire  
 D7 Gm D7  
 And angels weep as we do rejoice

Gm Cm  
 Sing for no one sing for everyone  
 D7 Gm D7  
 Sing for we are servants of the song  
 Gm Cm  
 Sing for being together, never mind the weather  
 D7 Gm D7  
 Sing for no one sing for everyone!

Gm Cm  
 We cry because there's evil in this world  
 D7 Gm D7  
 Watch the oyster as her art unfurls  
 Gm Cm  
 Why not turn your sorrow into a song tomorrow  
 D7 Gm D7  
 And let your tears become a string of pearls

Gm Cm  
 Sing for no one sing for everyone  
 D7 Gm D7  
 Sing for we are servants of the song  
 Gm Cm  
 Sing for being together, never mind the weather  
 D7 Gm D7  
 Sing for no one sing for everyone!
