Out here nothing changes, not in a hurry anyway
Am You can feel the endlessness with the coming of the
                                                     light of day
Talk about a chosen place
They want to sell it in the marketplace
  Am (Well just a minute now)

                 Am
(Standin' on) solid rock
              G
Standin' on sacred ground
            Am
Livin' on borrowed time
And the winds of change
Keep blowin' down the line
 Am (Right down the line)

-2002 24 45 54 -2002 24 45 54
'Round about the dawn of time dreaming all began
Proud people come Livin' in a promised land
Runnin' from a heart of darkness
Searching for a heart of light
 Am (Could've been paradise)
-0000 00 00 00 -0000 00 00 00

-2002 24 45 54 -2002 24 45 54
(The were standin' on) solid rock
              G
Standin' on sacred ground
            Am
Livin' on borrowed time
And the winds of change
Were blowin' cold that night
Standin' on the shore one day
Saw the white sails in the sun
```

```
White man white law white gun
Don't tell me that it's justified
'Cause somewhere, someone lied
 Am (Someone lied, a genocide)

(Now you're standin' on) solid rock
           G
Standin' on sacred ground
Livin' on borrowed time
And the winds of change
Are blowin' down the line
Solid rock
Standin' on sacred ground
          Am
Livin' on borrowed time
And the winds of change
Are blowin' down the line
Solid rock
Standin' on sacred ground
Livin' on borrowed time
And the winds of change
Are blowin' down the line
