

The Parting Glass

Traditional Scottish

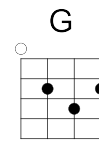

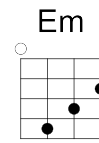

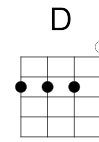

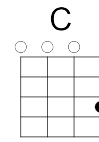

Of all the money e'er I had
 I have spent it in good company
 And all the harm I've ever done
 Alas, it was to none but me
 And all I've done for want of wit
 To memory now I can't recall
 So fill to me the parting glass
 Good night and joy be with you all

So fill to me the parting glass
 And drink a health whate'er befalls
 Then gently rise and softly call
 Good night and joy be with you all

Of all the comrades that e'er I had
 They're sorry for my going away
 And all the sweethearts that e'er I had
 They would wish me one more day to stay
 But since it falls unto my lot
 That I should rise and you should not
 I'll gently rise and softly call
 Good night and joy be with you all

If I had money enough to spend
 And leisure time to sit awhile
 There is a fair maid in this town
 That sorely has my heart beguiled
 Her rosy cheeks and ruby lips
 I own she has my heart in thrall
 Then fill to me the parting glass
 Good night and joy be with you all

So fill to me the parting glass
 And drink a health whate'er befalls
 Then gently rise and softly call
 Good night and joy be with you all
