

There Must Be An Angel

The Eurythmics

Nda da da da da dadn da, da da, da da
 Nda da da da da dadn da, da da, da da

No-one on earth could feel like this
 I'm thrown and overblown with bliss

There must be an angel
 Playing with my heart

I walk into an empty room
 And suddenly my heart goes boom
 It's an orchestra of angels
 And they're playing with my heart

Must be talking to an angel
 Must be talking to an angel
 Must be talking to an angel

Must be talking to an angel
 Must be talking to an angel
 Must be talking to an angel

No-one on earth could feel like this
 I'm thrown and overblown with bliss

There must be an angel
 Playing with my heart

And when I think that I'm alone
 It seems there's more of us at home
 It's a multitude of angels

And they're playing with my heart

Must be talking to an angel
 Must be talking to an angel
 Must be talking to an angel

Must be talking to an angel
 Must be talking to an angel
 Must be talking to an angel

I must be hallucinating

Watching angels celebrating
 Could this be reactivating
 All my senses dislocating?
 This must be a strange deception
 By celestial intervention
 Leavin' me the recollection
 Of your heavenly connection

Instrumental

Playing with my heart

I walk into an empty room
 And suddenly my heart goes boom
 It's an orchestra of angels
 All playing with my heart
