Intro x2

Would you like to ride in my beautiful balloon?

Would you like to glide in my beautiful balloon?

We could float a—mong the stars together you and I

For we can fly, we can fly

Up, up and away in my beautiful, my beautiful

Balloon

The world's a nicer place in my beautiful balloon

It wears a nicer face in my beautiful balloon

We can sing a song and sail along the Silver sky

For we can fly, we can fly

Up, up and away in my beautiful, my beautiful

Balloon

Suspended under a twilight canopy

We'll search the clouds for a star to guide us

If by some chance you find yourself loving me

We'll find a cloud to hide us

We'll keep the moon beside us

Love is waiting there in my beautiful balloon

Way up in the air in my beautiful balloon

If you'll hold my hand we'll chase your dream across the sky

For we can fly, we can fly

Up, up and away in my beautiful, my beautiful
