

White Wine In The Sun

Tim Minchin

F
I really like Christmas
It's sentimental I know **Bb6**
But I just really like it **F**
I am hardly religious
I'd rather break bread with Dawkins than Desmond **Bb6** Tutu
To be honest **F**
And yes I have all of the usual objections to **C**
consumerism **C7**
The commercialisation of an ancient religion **Bb6**
To the westernisation of a dead Palestinian **F**
Press-ganged into selling Playstations and beer
But I still really like it **C**
F
I'm looking forward to Christmas
Though I'm not expecting **Bb6**
A visit from Jesus **F**

Chorus

I'll be seeing my dad **C**
My brother and sisters, my gran and my mum **A** **Dm**
They'll be drinking white wine in the sun **F** **Bb6**
I'll be seeing my dad **C**
My brother and sisters, my gran and my mum **A** **Dm**
They'll be drinking white wine in the sun **F** **Bb6**

F
I don't go in for ancient wisdom
I don't believe just cos ideas are tenacious **Bb6**
It means they are worthy **F**

F
I get freaked out by churches
Some of the hymns that they sing have nice chords **Bb6sus4** **Bb6**
But the lyrics are dodgy **F**
And yes I have all of the usual objections to **C**
miseducation **C7**
Of children who in tax exempt institutions are taught **Bb6**
to externalise blame

And to feel ashamed and to judge things as plain **F**
right or wrong

But I quite like the songs **C**

F
I'm not expecting big presents
The old combination of socks, jocks and chocolate **Bb6**
Is just fine by me **F**

Chorus

Cause I'll be seeing my dad **C**
My brother and sisters, my gran and my mum **A** **Dm**
They'll be drinking white wine in the sun **F** **Bb6**
I'll be seeing my dad **C**
My brother and sisters, my gran and my mum **A** **Dm**
They'll be drinking white wine in the sun **F** **Bb6**

Bb6
And you my baby girl
My jetlagged infant daughter **F**
You'll be handed round the room **Bb6**
Like a puppy at a primary school **Bb9**

Bb6
And you won't understand **F**
But you will learn some day
That wherever you are and whatever you face **Bb6**
These are the people **Bb9**
Who'll make you feel safe in this world **A** **Dm**
My sweet blue-eyed girl **F** **Bb6**

Bb6
And if my baby girl **F**
When you're twenty one or thirty one
And Christmas comes around **Bb6**
And you find yourself nine thousand miles from home **Bb9**

Bb6 **F** **Bb6** **C**
You'll know whatever comes **C**
Your brothers and sisters and me and your mum. **A** **Dm**
Will be waiting for you in the sun **F** **Bb6**

Bb9 **C**
Whenever you come
Your brothers and sisters
Your aunts and your uncles
Your grandparents, cousins **A** **Dm**
And me and your mum
Will be waiting for you in the sun **F** **Bb6**

F **Bb6**
 Drinking white wine in the sun
C **Bb6**
 Darling when christmas comes
F **Bb6**
 Will be waiting for you in the sun
C **Bb6**
 Drinking white wine in the sun
F **Bb6**
 Waiting for you in the sun
C **Bb6** **F**
 Waiting for you
Bb9 **C**
 Waiting
F
 I really like Christmas
Bb6
 It's sentimental I know
F
