

# Xanadu

## Jeff Lynne, ELO

G  
 A place, where nobody dared to go  
 The love that we came to know  
 They call it Xanadu  
 (It takes your breath, It'll leave you blind)  
 And now, open your eyes and see  
 What we have made is real  
 We are in Xanadu  
 (A dream of it, we offer you)

G Bm  
 A million lights are dancing  
 And there you are, a shooting star  
 An everlasting world  
 And you're here with me eternally

G A  
 Xanadu, Xanadu  
 (Now we are here) in Xanadu  
 C G Eb F

 Xanadu, your neon lights will shine  
 For you, Xanadu

 The love, the echoes of long ago  
 You needed the world to know  
 They are in Xanadu  
 (With every breath you drift away)  
 The dream, that came through a million years  
 That lived on through all the tears  
 It came to Xanadu  
 (The dream of you, well it will happen for you)

G Bm  
 A million lights are dancing  
 And there you are, a shooting star  
 An everlasting world  
 And you're here with me eternally
