

You May As Well Smile

Green/Megarrity

When the sunshine's gone and a cold wind blows
 The sky is hanging grey and low
 The nimbus is all cumulo
 The days pass slow with nothing to show
 And everything is so 'so-so'
 There's only one way to go
 So here's my motto

You may as well smile
 'Cause we're all stuck together here for a while
 The reasons to frown all fall down in a pile
 So you may as well..

You may as well smile
 'Cause we'll all make our exit in a single file
 The line could be short, or a queue of a mile
 So you may as well smile

It may be overcast but it won't last
 Most of those clouds are toasted by sunshine
 So we should be kind while there's still time
 So you may as well...

You may as well smile
 Whether you pull a bride or a trolley up the aisle
 You could slip, you could trip but you'll do it with
 style

So come on
 You may as well..
 You may as well smile
