 Daddy dear listen here, your Mama's feeling blue

I don't see much of you, that will never do

G Gdim D7 E7
 Once a week your Mama's cheek gets a kiss or two

A7 D
 Now I'm not showing you the door

A7 D7
 I'm just laying down the law

G E7
 You've gotta see Mama every night

A7 D7 G D7
 Or you can't see Mama at all

G E7
 You've gotta kiss Mama treat her right

D7 A7 D7
 Or she won't be home when you call

G G7
 Now I don't care for the kind of a man

C Gdim
 Who loves his Mama on installment plan

G E7
 You've gotta see Mama every night

A7 D7 G D7
 Or you can't see Mama at all

For instance

G Gdim D7
 Monday night I sat a - lone

G Gdim D7
 Tuesday night you didn't phone

G C A7
 Wednesday night you didn't call

G D7 G
 Thursday night the same old stall

G Gdim D7
 Friday night you dodged my path

G Gdim D7
 Saturday night you took your bath

G C A7
 Sunday night you called on me

G D7
 But you brought your wife and your family

Instrumental (chorus pattern)

 You've gotta see Mama every night

A7 D7 G D7
 Or you can't see Mama at all

G E7
 You've gotta kiss Mama treat her right

D7 A7 D7

G G7
 Now I don't care for the kind of a sheikh

C Gdim
 Who does his sheikking once a week

G E7
 You've gotta see Mama every night

A7 D7 G D7 G
 Or you can't see Mama at all
